Acknowledgment and Understanding

I hereby acknowledge that I am receiving health care services at the Authentic Living Center. I acknowledge that I have been advised that the doctor providing the services is willing to wait for payment for these services, provided there continues to be a reasonable chance that payment will be made either by the insurance proceeds or out of the settlement of a liability case.

While the Authentic Living Center is primarily a cash practice, I understand that there are times when an insurance company may be involved, such as services provided due to an automobile accident, or a Medicare-related fall.

I understand that if it is determined either:

- a) there is no insurance company obligated to pay for the services, or if the insurance company involved refuses to acknowledge an assignment to the doctor, or make other provision for the protection of the interest of the doctor, or
- b) if a liability claim exists and my attorney refuses to agree to protect the interest of the doctor, or if I have not engaged the services of an attorney;

then payment of services rendered by chiropractors at the Authentic Living Center will be made on a current basis and my bill paid in full as soon as my liability claim is settled or the passage of three months from my last treatment, whichever occurs first.

I grant permission to be contacted by Authentic Living Center by email.

I grant permission to be contacted by Authentic Living Center by text.
